

International students studying the Master of Professional Accounting (Extension) with CPA Australia should note that it is their responsibility to always remain compliant with their visa conditions.

This includes satisfying minimum course enrolment during compulsory study periods. **In order to satisfy the visa conditions, students need to follow the learning sequence provided below.**

**Students commencing Term 1 MUST study INFS5978 in Year 2 Term 3** to comply with student visa conditions. Other Core Courses will be studied in Year 1 as long as the course requisite requirements are met.
