

Overview of UNSW Medicine & Health Governance Framework

University Committee recommendations on academic programs, policy and quality go to Academic Board.

Minor revisions (Level 1 & 2) are approved by the ADE.

Level 3 revisions are reviewed by the Faculty Education Committee and then sent to the Faculty Board for a decision.

Level 4 & 5 revisions are reviewed by the Faculty Education Committee and then go to Faculty Board and some to University Committees.

Faculty Assessment Review Group reports directly to the Education Committee.
