<p>The expected study load is 8 courses spread over three terms, 404r8 allowed to replace a maximum of 12 O Pres Electives with the following courses:</p> <p>Minor Project (PHCM9148),          Project (PHCM9144),          Internship (PHCM9143),          Independent Study (PHCM9103)</p>
--

International students from non-English speaking countries enrolled in the full-time program are required to take the additional preparatory course PHCM9100 in their first Term. This course is available for all students to assist to gain maximum benefit from their study. The course is made available at no charge to students and does not contribute to the UOC requirements of the degree.
