Research
Symposium and
Policy Forum

Heidi was supported by an Australian Government Research Training Program scholarship; and scholarship through Maintain Your Brain funded through NHMRC Boosting Dementia Research Team Grant. This research study was completed using data collected through the 45 and Up Study (www.saxinstitute.org.au). The 45 and Up Study is managed by the Sax Institute in collaboration with major partner Cancer Council NSW; and partners: the National Heart Foundation of Australia (NSW Division); NSW Ministry of Health; NSW Government Family and Community Services; Ageing, Carers and the Disability Council NSW; and the Australian Red Cross Blood Service. We thank the many thousands of people participating in the 45 and Up Study. We also thank the Centre for Health Record Linkage and the AIHW for the data linkage. Approved within the study.
