Faculty of Engineering

1950

Council meeting 8th May, 1950 (resolution 54)

The Faculty of Engineering was established on 8th May, 1950 under Council resolution 54. Through a ruling by the Developmental Council engineering courses had already been in operation at Sydney Technical College from 1st March, 1948, but this resolution officially created the Faculty. Initially the Faculty contained four departments - Electrical Engineering, Mechanical Engineering, Civil Engineering and Mining Engineering - and was administered by Dean H. J. Brown. The inaugural meeting of the Faculty took place on 7th June, 1950.

In 2013, the Faculty, under Dean Professor Graham Davies, included nine schools and nineteen Centres.

47	Professorial Board	1951 - 1988
2	Academic Board	1951 -
