Council 6 November 2006 meeting (resolution CL06/87)

*Administrative history
note:*

The University Union was established by Council on 9 March 1959 (resolution 59/57). At the time it was outlined that "a Union be created of which all students shall be compulsory members, and for which a fee shall be collection and in which any member of the University's full-time staff may be a member, this Union to be governed by a Board, and that the Vice-Chancellor be asked to consult with the various sections fo the University who have interests in this matter and to submit in due course to the University Council, for its approval, a charter and constitution".
