2.2 Course aims

This course offers an introduction to psychology as a scientific discipline and as a profession, with special emphasis on initiating the academic and professional development of students in the Bachelor of Psychology programme. This course also provides a first step in your development of psychological literacy, that is, the capacity to intentionally utilise your psychological knowledge, skills and attitudes to achieve personal, professional and societal goals, with the aspirational goal of becoming a

2.4 Relationship between course & program learning outcomes, activities and assessments

CLO	Program Learning Outcomes	
Intro Level	1. Knowledge	2. Research

4. Course schedule and structure

5.

Please note that you are expected to meet

5.3 Submission of assessment tasks

In accordance with UNSW Assessment Policy the written pieces of assessment must be submitted online via Turnitin. No paper or emailed copies of written pieces will be accepted.

Late penalties: deduction of marks for late submissions will be in accordance with School policy (see: Psychology Student Guide), unless otherwise stated in this outline.

Referencing is a way of acknowledging the sources of information that you use to research your assignments. You need to provide a reference whenever you draw on someone else's words, ideas or research. Not referencing other people's work can constitute plagiarism.

Further information about referencing styles can be located at <https://student.unsw.edu.au/referencing>

Academic integrity is fundamental to success at university. Academic integrity can be defined as a commitment to six fundamental values in academic pursuits: honesty, trust, fairness, respect, responsibility and courage.¹
