All assignments have been designed and implemented in accordance with UNSW
Assessment

Tutorial participation	N/A	5%	/5	N/A
Mid-session test	50 mins	20%	/20	Week 4 (online)
Group project		35%	/35	
Presentation				

Further details and marking criteria for the assessment are provided to students closer to the assessment release date (see 4.1: UN Procedure).

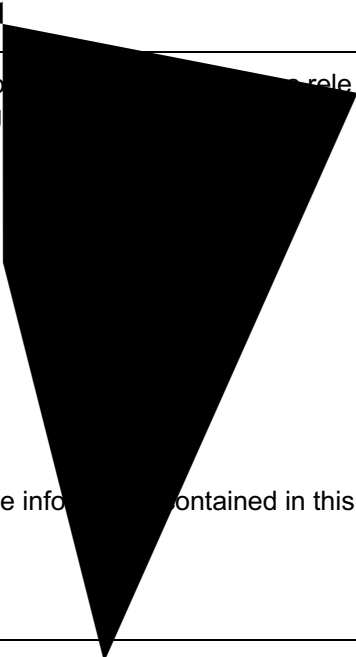

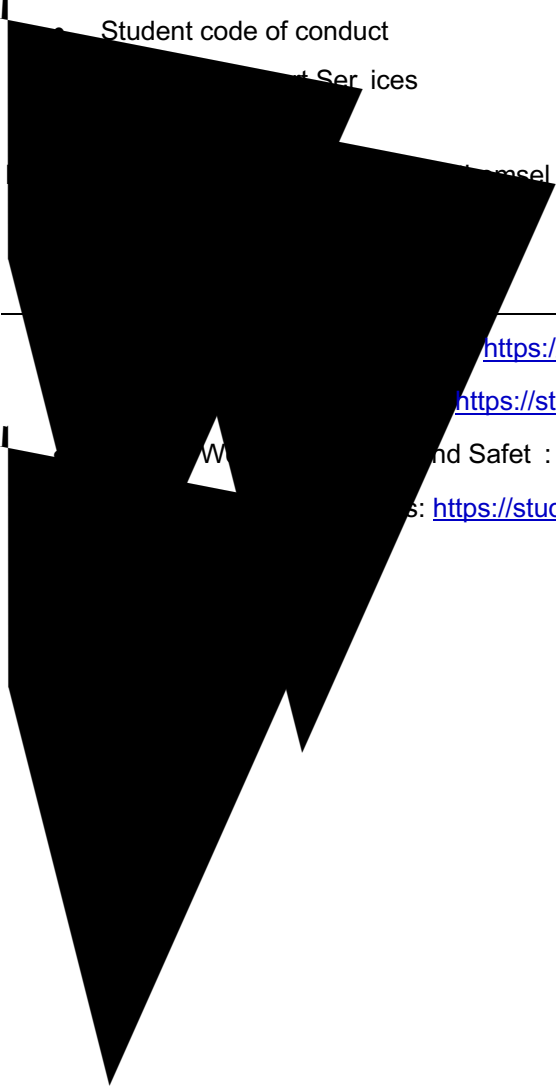

In accordance

The APA (7th edition) referencing style is to be adopted in this course. Students should consult the publication manual itself (rather than third party interpretations) in order to properly adhere to its conventions. Students do not need to purchase the manual if it is available in the library. This resource is used by assessment materials and is a resource used by students to ensure they adopt this style appropriately.

is a form of acknowledging the sources of information used in research. Our goal is to provide a reference

The [School of Psychology Student Guide](#) contains School of Psychology policies relevant for all students enrolled in undergraduate or Masters psychology.

- Attendance requirements
- Assignment submissions and returns
- Assessments
- Special consideration
- Student code of conduct
