We are currently recruiting 2nd year psychology students to participate in the School of Psychology 202 Peer Mentoring Program.

### Who is eligible?

You will need to be in Stage 3 of your program in 202 and enrolled in a Bachelor of Psychology or Bachelor of Psychological Science, or another program with a major in Psychology

### What does mentoring involve?

Working with a partner to mentor a small group of 1<sup>st</sup> year psychology students to guide their transition to university.

### Why volunteer to be a Mentor?

- x Enhance your personal and professional development;
- x Enjoy a sense of community within the UNSW School of Psychology;
- x Receive an official School of Psychology Peer Mentoring Certificate;
- x Receive acknowledgement of your participation on your supplementary transcript of UNSW approved activities; and
- x Acquire skills to include on your resume and enhance your employability.

### How much time will being a Mentor take?

- x A one-day mentor training workshop in early February 202 ;
- x One-hour weekly meetings with a small group of mentees for approximately 8 weeks during Term 1 202 ;
- x Short fortnightly meetings with the Peer Mentoring Coordinators during this time;
- x A small amount of preparation for each mentoring session.
