UNSW IT – Install Guide for Mac

SPSS v26

SPSS Installation

1. **Download** the SPSS Statics 26 by visiting the below URL:

   IUUQT XXX NZJU VOTX FEV BV TPGUXBSF TUBGG

2. **Save**

4. If

Commuter License (optional)

Commuter license is also available if you are traveling and might not have internet connectivity to use UNSW VPN. Please follow the instruction below for the commuter license.

Run 'SPSS Commuter Utility' application and check out from available pool.

If check out license is for over 7 days, locate the spssprod.inf in the package content for SPSS application file by following steps below on the Mac. The detitanation folder where the SPSS is installed can be located from installation step. The file should be in the 'bin' folder in 'Contents' folder.
