“The best thing about being a Westpac graduate is I don’t feel like a graduate” Katie Blanch

Our graduates are treated like employees and their opinion counts from day one. We believe in mentoring, training, a healthy work-life balance and we offer competitive salaries.

You can choose between two programs. The Generalist Program will give you a taste of different business areas to see what suits you and our Specialist Program lets you focus on your chosen field.

Whichever program you choose, you’ll get the support to go further, sooner.
