Chemical Inventory Management Chem

Editing / Updating Stock Items

A screenshot of the JAGGERS Chemical Inventory Management software interface. The interface is divided into several sections: a top header with the "JAGGERS" logo and "Chemical Inventory Management" text; a navigation menu on the left; a central data table with columns for chemical names and quantities; and a bottom section with additional data or controls. Several elements are highlighted with red boxes, indicating areas for editing or updating stock items.
