4. Aims of the Course

This course concerns the application of general psychological theories and principles to contemporary management problems. It will acquaint students with research in employee motivation, satisfaction, selection, training, evaluation, and teamwork as well as other topics in industrial and organisational psychology, including the role of the professional in organisations and in dealing with other professionals.

The course aims to provide psychology students with a general understanding of the field of organisational psychology. Students will be able to:

10. Assessment

Assessment Task	Weight	Learning Outcomes Assessed	Graduate Attributes Assessed	Date of Release	Feedback
-----------------	--------	----------------------------	------------------------------	-----------------	----------

avoid it. All undergraduate students have to review the ELISE tutorial in their first semester and complete the quiz, b

14. Administrative Matters

The School of Psychology Student Guide available on http://www.psy.unsw.edu.au/sites/all/files/quicklink_file_attachment/Psychology_Student_Guide_2014.pdf, contains School policies and procedures relevant for all students enrolled in undergraduate or Master's psychology courses such as:

- x Attendance requirements;
- x Assignment submissions and returns;
- x Assessments;
- x Special consideration in the event of illness or misadventure;
- x Student Code of Conduct;
- x Student complaints and grievances;
- x Student Equity and Disability Unit; and
- x Occupational Health & Safety.

Students should familiarise themselves with the information contained in this Guide
