### 3 THE OVERSEAS STUDENTS

This is a reading comprehension exercise. The table below gives five different categories of information about five Korean students who are planning to study overseas. The five categories are 1) the country in which they're going to study, 2) their study major, 3) their home town in Korea, 4) the major foreign language they speak, and 5) the university they attend in Korea. Your task is to consult the table and the information it contains in order to fill in the blanks in the sentences that follow.
